YOU HAVE OUR WORD

PEACE-OF-MIND GUARANTEE

Unilock Authorized Contractors have a track record of meeting our high standards for workmanship and business integrity. It is on this foundation of trust and craftsmanship that we proudly offer a 2-year Peace of Mind Workmanship Guarantee on their work.

This warranty covers residential projects that contain 100% Unilock paver and wall products and were installed by a Unilock Authorized Contractor who was certified at the time of installation. In the unlikely event that a major structural defect arises within two years of the final date of hardscape installation, the Peace of Mind Workmanship Guarantee will cover the cost of labor to repair the issue if the Unilock Authorized Contractor does not fulfill their own warranty obligation.

It's our promise of enduring quality and lasting confidence in our contractors. The Peace of Mind Workmanship Guarantee does not apply to minor settling, aesthetic imperfections or issues that arise due to unknown soil or groundwater conditions beneath the prepared base.
